It is seemingly tucked away while conveniently located near Norman's bustling shopping, dining, and commercial sectors. St. James Park pairs a comfortable environment with exquisite custom homes and optimal amenities with acres of rolling fields, tranquil ponds, and walking paths. It's more than a neighborhood, it's a lifestyle. St. James Park has an outdoor experience for you. Sitting on over 200 acres, our community boasts miles of walking paths, 3 large tranquil ponds, and a full basketball court. Our welcoming clubhouse is a gathering place for neighborhood meetings and can be utilized by community members for private events such as family reunions and birthday parties. The clubhouse features a modern kitchen, dining room, fireplace, and an Exercise Center equipped with Life Fitness equipment. Lounge with your favorite book, and take a refreshing dip or swim laps. Our swimming pool is conveniently located at the center of the neighborhood, where community members are invited to relax poolside in one of the many deck chairs or splash around in the 50-foot pool.
