

# BROOKFIELD CUSTOM HOMES

## About

Mustang Park is a brand new, luxury family community in Mustang, Oklahoma! Features include a large green belt, community pool, basketball court, soccer field, and fitness center. Its proximity to the Turnpike also makes commuting a breeze, offering community events, parties, and activities. Mustang Park offers a private walking path from the community to the local elementary and middle school for children's safety. Brookfield Custom Homes has been around for more than two decades with over 50 years of combined experience, so please give us a call and reserve your homesite today or ask about homes under construction!
